

CENTRIQ

The best app for your home and everything in it.

Everything in this property report and so much more is waiting for you in the Centriq app.

- Manuals for your appliances and systems
- Maintenance Reminders
- Safety recall monitoring
- Easy access to all replacement parts
- How-to videos for the things you own
- And more

“I'm VERY impressed with this app! It made deciding which home to buy a much more informed decision. 🙌🏆”

myCentriq.com

Every item in this report, including the major systems and appliances, has been added to the Centriq app for you.

Check your email for your complimentary invitation to the Centriq app.

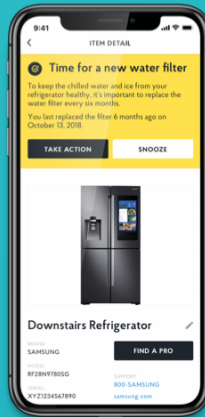

Adding more is a snap

You can add all your appliances, electronics, tools, gear and gadgets.

Simply snap a picture of the product label in the app to get access to its user manuals, warranty information, how-to videos, replacement parts and more.

Maintenance on auto-pilot

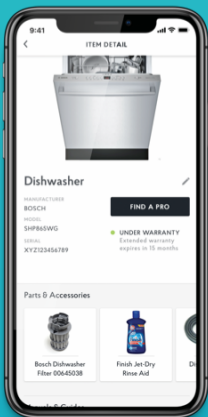

Stop worrying about your home and put your maintenance on auto-pilot.

The Centriq app will tell you when and how to best maintain your home and the things in it.

It's time you own your home, don't let it own you.

The right part, right now

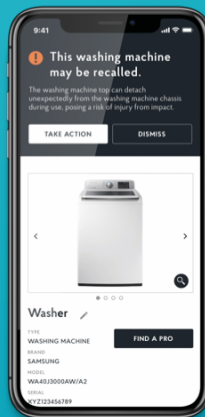

It has never been easier to find the right maintenance and repair parts.

Order with confidence, knowing that what you are getting is right for your specific model.

Now everything you'll ever need is within a tap's reach.

Beware and be safe

Know when your home becomes a threat to you and your loved ones with safety recall alerts.

When anything you own gets recalled you will be notified right away.

Just add it all to Centriq for 24/7 monitoring.

Discover the magic of Centriq for your appliances, electronics, power tools, lawn equipment, vehicles, heating and cooling equipment, workout gear, you name it. Add anything to Centriq with just a picture of the product label.

Look for your email invitation to get started today.
